experience

Jess Corkery Designs

April 2016 – Present

Freelance including work for clients such as Image 4, JW Actors Studio, Random Test Reggae, and Cotton Bureau. Projects include print design, large format printing and production, and motion design.

Graphic Designer

November 2014 – April 2016

Swanson Advertising – Salem, NH

Work as a solo designer to develop concepts and execute designs from start to finish for clients of different industries. Work directly with our Director of Integrated Services, as well as clients and marketing departments to create materials such as advertisements, brochures, branding, catalogs, tradebooths, web layouts, while maintaining branding guidelines.

Graphic Designer

October 2012 – May 2014

Night Owl Cafe – Keene, NH

Design advertising and marketing for entertainment, lecture, and school-wide events occurring throughout the Keene State College Student Center. Executed using print, social media and Tightrope Media System displays, the work was directed towards students, faculty, and administration.

Graphic Design Intern

June 2013 – August 2013

PARMA Recordings – North Hampton, NH

Help design & create album & booklet layouts, using established & original designs; Aid in concept and design for miscellaneous PARMA projects, including the PARMA Recordings' yearly music festival using new concept and branding across many different mediums.
